

**DEPARTMENT OF PERSONNEL  
ADMINISTRATIVE REGULATION NO. 114F**

**RESIDENCE REQUIREMENT - Fire Division**

*Effective: January 21, 2018*

This regulation outlines the Residence Requirement for employees of the Fire Division. The following requirement is in effect:

- A. Employees of the Fire Division who have worked for the **Fire Division** for a minimum of seven years shall not be required to reside within the City of St. Louis if the only available St. Louis Public School District is or has been unaccredited or provisionally accredited within the last five years of such employee's employment. Charter schools are not considered as public schools for the purpose of this regulation.
- B. Employees who have satisfied the seven year requirement described above and who choose to reside outside the geographical boundaries of the City of St. Louis shall reside within a one-hour response time of their place of work.
- C. Employees who have met the above criteria and changed their residency shall not be required to reside within the geographical boundaries of the City of St. Louis if such school district subsequently becomes fully accredited.

Employees who do not meet the above criteria must continue to comply with and meet the residence requirement as noted in Article VIII, Section 2 of the Charter of the City of St. Louis and the Department of Personnel Administrative Regulation No. 114. All employees are required to provide a change of address to their appointing authority immediately upon changing their residence.
